

MEXICO MISSIONS TRIP

JUNE 18-30 COST: \$1100

If you've never been on a short term missions experience, you should definitely join us as we go into Mexico to share the love of Christ. There will be a great impact made on the region that we go to, but those who attend this trip will have an even bigger impact in their own lives.

We will be traveling to San Quintin, Mexico. It is in the Baja California region very close to the pacific ocean. This region is one of the poorest regions in all of Mexico, and people still to this day struggle to get basic necessities for living. We will be working with local churches in the area to host special services, Vacation Bible Schools for children, and minor projects to homes and churches.

This region is a very safe and the team we are traveling under has been going to this specific location several times per year for over 20 years. Our teams will be staying with and working closely at all times.
